

## OUR ROOMS

**Murder Mystery:** You thought you could drive all the way home tonight but you're just too sleepy to make it. The only motel you could find was the "Sleepy Haven". It did look sketchy but you were just too tired to care! That was until you checked in and saw what happened in your room... If you can channel your inner Sherlock, you just might solve the murder. If not, how does a night in jail sound?

Difficulty: 4.5/5, up to 8 players.

**Lost in Space:** This room is sure to be an out-of-this-world experience, as you are immersed in a hands-on escape-the-room game like no other. After a space mission gone wrong, the team is tasked with working together to repair the ship and seek rescue through the escape hatch before they run out of oxygen and their time expires. Difficulty: 4.2/5, up to 8 players.

**Queen City Bank Heist:** The Ocean's 11 style team of rag tag specialists have come together for the score of a lifetime. The Zela Heart diamond is housed deep in the most secure vault in the world and you're going to steal it! Difficulty: 4.6/5, up to 10 players.

**Quest of Honor:** A gold hungry dragon is laying fire to the medieval town of Westwend. The castle's only hope lays with your small band of heroes. Can you figure out how to defeat the great dragon and retrieve the long lost artifact? Difficulty 4.6/5, up to 8 players.

**Gone.:** "Many people went missing in the summer of 1986. Gripped with fear, the Harpers stayed inside their home trying to remain safe but despite their effort, tragedy struck. When their little Abigail went missing just days before Christmas, it was too much to bear. Both parents are presumed dead after manhunt turned up nothing," the newspapers reported... Could the little girl haunt those time-faded walls of her childhood home? What really happened here? Where have they all... gone? Difficulty: 4.6/5 Up to 6 players. Things to note: There WILL be jump scares and crawling is required.

**Twisted:** It's not that you're smart, but your record is pretty good! You've played 52 rooms and you beat 43 of them. Not bad! You and your crew now go into any escape room and, within seconds, have already figured out the skills that each of you will need to use to beat this thing. So, you get your group together and set off to play this new room that you heard about. The game starts and before you know it you realize that being a so-called expert will not help. You're no longer playing the story, you are the story. Difficulty: 4.7/5 Up to 6 players.

**GROUP BOOKING OPTIONS**

**Option 1**

You book the number of rooms/spots you need from **our regular schedule**.

Cost/Payment

Our regular price is \$25 plus tax, per person. The following discounts will apply:

- 15 to 19 people: 5% off per person
- 20 to 29 people: 10% off per person
- 30+: 15% off per person

Please note that for this option, we need to have the exact number of participants per room as we will book according to your numbers. Our no-show policy (50% of booking fee) will apply if fewer than expected people are in attendance. Leftover seats will still be available for public booking on our website. That means that others could join your group.

For groups less of 15-19 players, payment is required at the time of booking. For groups of 20 or more players, a deposit of 25% is due when you book. The balance is due on the day of your visit. If you need to cancel, you must do so at least 7 calendar days prior to the actual booking day/time to get a refund. Please note that a \$20 administration fee will be charged for all cancellations. If you do not come or if you cancel within 48 hours of your booking time, we will charge your card 50% of the amount of the full booking.

**Option 2**

You like option 1 but do not want to have strangers joining your group? Simple. **Book all the seats that are available for your room and time.**

### Cost/Payment

Same as for Option 1 with the addition of our no-show/cancellation policy that will apply for any overbooked seats. You will be charged 50% of the regular fee for the overbooked seats. For example, if you have 8 participants and booked the entire room (10 seats) you will be charged for the 2 no-shows, a total of \$25.

For groups of 20 or more players, a deposit of 25% is due when you book. The balance is due on the day of your visit. If you need to cancel, you must do so at least 7 calendar days prior to the actual booking day/time to get a refund. Please note that a \$20 administration fee will be charged for all cancellations. If you do not come or if you cancel within 48 hours of your booking time, we will charge your card 50% of the amount of the full booking.

### Option 3

You tell us the date and time you'd like to come and we'll block the rooms you want and time you need, as long as they're free. You'll be guaranteed that nobody else will join your group as this will be a private booking. You can pick as many rooms as you want and you will then be able to decide how you want to split your group up between the different rooms.

### Cost/Payment

Our regular price of \$25 per person, any applicable discount mentioned above and an additional room fee of \$100 per room for weekday bookings. **For Friday after 5:00 PM, Saturday and Sunday bookings, the fee per room is \$200.**

For groups of 20 or more players, a deposit of 25% is due when you book. The balance is due on the day of your visit. If you need to cancel, you must do so at least 7 calendar days prior to the actual booking day/time to get a refund. Please note that a \$20 administration fee will be charged for all cancellations. If you do not come or if you cancel within 48 hours of your booking time, we will charge your card 50% of the amount of the full booking.

Please feel free to contact us for any further questions you might have or information you might need.
